

CRICKET CARTS

DIRECT

QUICK RELEASE RESORT TOP

1. Remove front poles from cart.
2. Place quick release top mounts to the cart using existing spacers and bolts.
3. Cut (shorten) FRONT roof top strut bars
 - a. Cut at top hole in half so that bar will rest on top bolt.
4. Place roof top strut bar back into quick release mount.
5. Screw the thumb knob into the pole so that you leave a mark in the pole.
6. Remove the pole and where the pole is marked, drill a 3/8" hole on the outside ONLY so thumb knob will not go through pole.
7. Replace pole and tighten down thumb knob.
